'By knowledge we shall lead'

Our logo reflects our mission and foresight. We have used classic coat of arms which is symbol of power, pride and leadership.

The crest of the coat of arms bears the 'Eagle' which indicates foresight, determination coupled with a will to succeed.

The wreath of the coat of arms makes use of a classic English crown, which is symbolic of power and authority. The Mantling makes use of classic murals that add to the glory and panache of the crown. A pair of lion is used as the supporters of the coat of arms.

The shield, which is a strong piece of armory, has five compartments holding the core spirit of Sherringwood. Each compartments bears relevance to the five elements of existence.

The First Element 'Fire' shown in the form of SUN depicts the 'Spirit of Competition'.

The Second Element 'Air' shown in the form of two birds in flight depicts the 'Spirit of Exposure and Wisdom'.

The Third Element 'Ether' shown in the form of empty rhombus depicts the 'Spirit of Expanse and Knowledge'.

The Fourth Element 'Water' shown in the form of waves depicts the 'Spirit of Respetivity and Independence'.

The Fifth Element 'Earth' shown in the form of leaves depicts the 'Spirit of Growth and Achievement'.

“Finally, the logo culminates into the motto of Sherringwood that reads in Latin as “Ut Scientia Deducet” which means By Knowledge We Shall Lead”

"It's not about being the best.
It's about being better than you
were yesterday."

CAMPUS # 1

The school is safe, flexible and child oriented to provide comfort and to accommodate children's changing developmental needs and interests.

The campus is located in the residential area of Saket, being the most accessible.

Within its boundaries, children are free to move about, explore materials, exercise creativity and solve problems.

Our second campus is also located in Saket and is spread within a 24X7 manned premise. The campus boasts of a friendly, happy and pollution free atmosphere. The classrooms are fully air-conditioned, dust-free and clutter-free. We have created a multisensory environment where children can see, touch, hear, taste, smell, play, explore and experiment.

CAMPUS # 2

Playgroup

Sherringwood is the probably the best start you can give your child in terms of stimulating an imaginative learning environment in a very friendly and caring setting all under the direct guidance of experts in their respective fields.

Pre-Nursery

We give a lot of focus on cognitive learning and language development while encouraging and motivating your child to express even better. At Sherringwood, the parents are told about child psychology and brain development in the counselling, which helps them know their child even better.

Nursery

We utilize "same-timing techniques", for stimulating the weaker side of the brain and balancing the two hemispheres for real time integration. This coupled with cognitive activities and easy-to-follow dietary guidelines help to establish proper connections and improve rhythm and timing. Our unique integrated approach helps your child achieve optimum body and brain function, which supports improved learning –academically, socially, and emotionally. You'll be amazed at the physical and academic advances your child will make during our program.

Jr. Kindergarten

Jr. Kindergarten– The foundation of growth, development, and learning in a child starts with sensory and motor interaction with the world. Sensory stimulation and feedback drive the brain, but the motor system drives sensory stimulation. This is what we aim at working on, here at Sherringwood. By improving motor skills, sensory detection, and processing, all of which has to come before any higher learning, either behaviorally or academically.

Sr. Kindergarten

We encourage projects and public speaking, while taking care of academics which include all the subjects. Our program works to integrate sensory input and strengthen motor skills through activities that are designed to improve balance and stability and to increase muscle tone so that a child can react more quickly.

Grade-1

We have recently launched grade 1 with the vision of inculcating good behavioral skills and all round development. Verbal skills, reading and pronunciations will be especially given emphasis. We have specialized art & craft classes, along with dance and aerobics. We will be following both C.B.S.E and I.C.S.E patterns.

Grade-2

Teaching and learning is a collaborative process and is best achieved when the child, school and parents work together. All activities should be appropriate for each individual and fun. We actively encourage children to: take responsibility for their own learning, maintain high levels of effort and work towards ambitious learning goals. Equally, we set high standards for teachers to ensure the quality of teaching and learning provides the best opportunities for the children.

Grade-3

We pride ourselves on good academic outcomes alongside a valued set of good behaviour, manners, respect and support for each other. Our school is continually developing its resources to ensure our young students grow into responsible self-confident citizens who will thrive in the world of work.

THE SHERRINGWOOD TEAM

ABOUT TEAM

A great teacher is one a student remembers and cherishes forever. Teachers have long-lasting impacts on the lives of their students, and the greatest teachers inspire students toward greatness. To be successful, a great teacher must have:

An Engaging Personality and Teaching Style:

A great teacher is very engaging and holds the attention of students in all discussions.

Clear Objectives for Lessons:

A great teacher establishes clear objectives for each lesson and works to meet those specific objectives during each class.

Effective Discipline Skills:

A great teacher has effective discipline skills and can promote positive behaviors and change in the classroom.

Good Classroom Management Skills:

A great teacher has good classroom management skills and can ensure good student behavior, effective study and work habits, and an overall sense of respect in the classroom.

Good Communication with Parents:

A great teacher maintains open communication with parents and keeps them informed of what is going on in the classroom as far as curriculum, discipline, and other issues. They make themselves available for phone calls, meetings, and email.

High Expectations:

A great teacher has high expectations of their students and encourages everyone to always work at their best level.

Knowledge of Curriculum and Standards:

A great teacher has thorough knowledge of the school's curriculum and other standards they must uphold in the classroom. They ensure their teaching meets those standards.

Knowledge of Subject Matter:

This may seem obvious, but is sometimes overlooked. A great teacher has incredible knowledge of and enthusiasm for the subject matter they are teaching. They are prepared to answer questions and keep the material interesting for the students.

Passion for Children and Teaching:

A great teacher is passionate about teaching and working with children. They are excited about influencing students' lives and understand the impact they have.

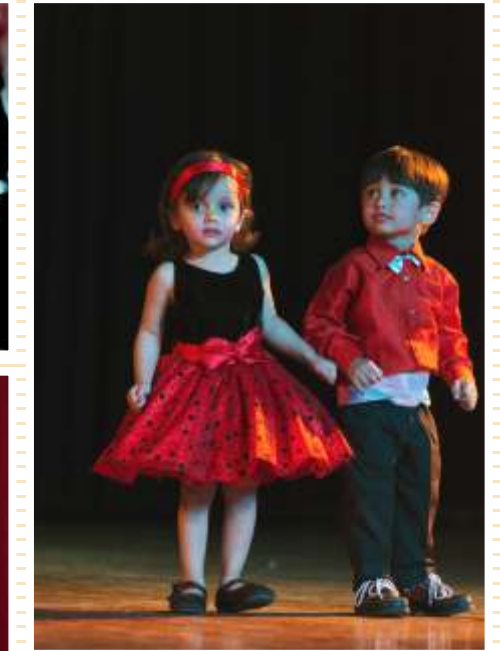

Strong Rapport with Students:

A great teacher develops a strong rapport with students and establishes trusting relationships.

CARPE DIEM

Every child has a unique quality inside so to bring out that hidden talent almost all the children of Sherringwood World School are brought on the stage to perform. Stage performance helps the children to remove stage fear and it brings confidence in them. Students as well as teachers unite together and do rigorous practice for almost one month before setting the stage on fire.

ANNUAL SPORTS MEET

The enhancement of physical and mental development of children is certainly the most important contribution of sports for children.

EXPERIENTIAL LEARNING

Balancing modern and traditional methodology of teaching

PARENTAL INVOLVEMENT

Parents are the first teachers of the child

GROSS & LARGE MOTOR DEVELOPMENT

Gross motor skills allow children to control those body movements that require the use of large muscles in the legs, arms, and torso.

FOCUS ON SENSORY DEVELOPMENT

Eager to Touch, See, and Be a Part of the World

IMPORTANCE OF FINE MOTOR SKILL DEVELOPMENT

Fine motor skills are achieved when children learn to use their smaller muscles, like muscles in the hands, fingers, and wrists

CREATIVE AND ART INCLINATION

Creativity is the process of bringing something new into being. Creativity requires passion and commitment. It brings to our awareness what was previously hidden and points to new life. The experience is one of heightened consciousness: ecstasy."

LIFE AND SOCIAL SKILL DEVELOPMENT

The abilities for adaptive and positive behaviour that enable individuals to deal effectively with the demands and challenges of everyday life

ACADEMIC & INTELLIGENCE DEVELOPMENT

We pride ourselves on helping your child get the most out of the academic efforts while creating a positive learning experience.

DIVINITY DINNER

The balanced meal provided at the school are home-cooked keeping in mind the hygiene and quality of the food.

Special bus to
Vijay Nagar

CONVEYANCE

The school provides transport facility to the students from different localities to the school and vice-versa, across Indore.
